Albany Post 292 Past Commanders Night Scheduled

By WALTER HOLLAND
The first meeting of Albany Post 292, American Legion, under command of Jack Hamilton will be held in the Memorial Building on July 11. The main object of the evening will be the nomination of representatives to the Memorial Building Commission, those who have their hats in the race are Godfrey P. Hanson, Walker, James A. Sartain and James D. Daly.
To prepare for the big night in Albany Post's year, a called meeting will be held Friday of all past commanders and affiliated past commanders to plan the big meeting on July 18 when past commanders will take over for the evening. The chairman for the "has hats" is Russell Rothschild, substituting for Mason Layton, who will be out of town on a vacation.
On Friday night of this week, Walter Ellis, Jr., will be out with his plans for the entertainment Albany Post will give at the Oakland Veterans Administration Hospital Sunday, August 3. Ellis is scouting all the able talent in Albany and surrounding territory to make up the show.
Now that the 10th District American Legion Junior baseball season is completed, Manager Jimmy Main and Coach Fred Lawders will take their team into the Maxwells League for the rest of the summer. The Maxwell League will be made up of boys 16 and older and younger. The Albany boys won six and lost four this year, the first they had together in the tournament.

Police-Fire Float Best In Parade

Rolling majestically down Solano Ave. in the second annual Fourth of July parade, the beautiful float entered by the Police and Fire Civil Service Club won the first prize as the best local float and first prize in the entire parade. Police and firemen this week are proudly displaying the huge trophy given by the Pacific Turf Golden Gate Club Fields, Inc., and the perpetual trophy from the Albany Exchange Club.
Harkening back to days gone by Police Chief Stanley Williams mounted a prancing steed and accompanied parade marshal Bert E. Hill at the head of the procession ushering in the day of safe and sane festivities. The Albany Junior Chamber of Commerce was represented with a decorated wagon loaded with children. Led by Joe Dagna, Jr., the children cheered and shouted as the wagon rolled along. Other outstanding entries were the Soroptimists in and atop the old stagecoach; the zany activities of the VFW fun organization, the "Cooties"; boys and girls marching in costume; a troop of children on decorated bicycles and little Howard Anderson grimly trying to peddle his little red car to the head of the parade.
Additional winners were the Albany Hi-Y, directed by Elmer Coble; Mel-O-Dee Club, Albany Junior Chamber of Commerce, Mr. and Mrs. Colin Grant and family, for the best horse and rider entry; American Legion Auxiliary, for the best decorated automobile, and five year old Michael McDermott, as an Indian rider on his pony, as the best single juvenile entry.
Mayor Lawrence Williams, chairman of the parade committee praised the untiring work of Edwin Howell, general manager of the celebration for the great success of the affair. Williams added that due to the fine cooperation of all members of the committee, the parade and festivities of the day have been highly praised by residents who have declared themselves as well satisfied with the home-town celebration.
Mindy Carson, Paul Whitman's lovely new singing protegee, will be featured with the famous band leader when he brings his 50-piece orchestra to Oakland.

The Police and Fire Civil Service float, above, won two first prizes in the Albany Fourth of July parade. It took top awards as the best parade entry and as the best local float entered.—Gazette photo

First Meeting of Pre-School Group Executive Board

The incoming and outgoing Executive Board of the Albany Pre-School Mothers' Club met at the College Women's Club of Berkeley for dinner on Wednesday, July 2. After the old business was dispensed with Mrs. G. B. Gilcrest, outgoing president, turned the gavel over to Mrs. A. W. Moody, incoming president, who conducted the new business of the meeting.
The outgoing board members presented Mrs. Gilcrest with a gift as a gesture of appreciation for her untiring efforts on behalf of the school during the last six months. As each outgoing officer left the meeting there was a surprise in store for her in the form of a charming gift for her from Mrs. Gilcrest, who thanked her co-workers for their help in making her term of office so successful.

MORGAN'S MEANDERINGS

By M. S. T.
Being a good little X.G.I.E.M., who always said "Yessir" when an officer said "Shaddap," I shall curb my tendencies to join in the hullaboo about the flying discs. Consider the subject dismissed with just this one report from the U. C. campus that the flying discs are really from vets at Cal blowing their tops.
Frank Gira, known locally for his prowess as a baseballer is teaching his young son the game. The other day young Frank batted one through a neighbor's window. Father Frank went over to square the beef and the two neighbors reached a very neighborly agreement. Seems the neighbor also has a young son and agreed to pay for his window if Frank would do the same when his son batted one out of line.

Albany Federal Savings-Loan to Pay 2 1/2% Yearly

In keeping with a long-established policy to share their earnings to the maximum with their members, the Board of Directors of Albany Federal Savings and Loan Association has adopted a dividend policy for the second half of 1947 at the rate of 2 1/2% per annum, according to a statement by W. J. Bowman, President of the Association.
"Our Association," Bowman said, "is now in its 20th year of continuous service to the families of Albany and surrounding territory, assisting them in their savings programs and in the purchasing and building of homes. During this entire period we have consistently paid higher than average return to our investors and have maintained complete safety for their investments and at the same time adhered to a strict policy of paying all requests for withdrawals on demand. All accounts in our association are insured up to \$5000.00 by the Federal Savings and Loan Insurance Corporation, a Federal agency."
New accounts are invited at this time and all families are urged to adopt a savings program to provide a reserve fund for emergencies, at least equal to one year's normal income from salaries or wages, Bowman stated.
All funds received before the

Lions Hear Vocalists At Meeting Thursday

At a regular Thursday night meeting held in Gaeta's Coffee Shop Thursday evening, July 10, the Albany Lions and their ladies were entertained by a program of songs and music. Featured as soloists of the evening were Charles Purcell and Elizabeth Valdes. Formerly on the New York stage in such musical hits as "Maytime" and many others, Purcell has come to Oakland and opened his studio for voice training. Elizabeth Valdes, in private life, Mrs. Purcell, has sung leading roles in operas both in Europe and America.
Visiting Lions and their wives from West Berkeley and El Cerrito attended the program which was arranged by Jay Angelo. Mrs. Froma Ehrlich accompanied the singers at the piano.

VFW Post 2658 to Sponsor Dances Each Sat. Night

Sponsored by Albany Post 2658, VFW, and Auxiliary 2658, a series of modern and old time dances will start Saturday night, July 12, at 8 p. m. in the Memorial Building. Music will be furnished by Mable Christensen's fine orchestra. Designed to offer good, clean fun to Albany residents, during the summer months, the dances will be held each Saturday night.
Mrs. Duane Cloyes heads the committee for the Auxiliary while Lloyd Blair is in charge of arrangements on behalf of the men. The dances are open to the public and all are invited to come and join the fun.

Marin Dads Donate New Type Lighting

At a meeting held on June 24 the Albany Board of Education accepted as a gift to the Marin school germicidal lights and fluorescent reflectors to equip one room of the school. The lighting equipment was a gift of the Marin Dads Club who, with additional aid from the School District, plan to have germicidal lights installed also in the kindergarten room.
The installation of these first lights is intended to demonstrate the health value of germicidal lamps throughout Albany schools.

TIRES THAT OUTWEAR PREWAR TIRES AT LESS THAN PREWAR PRICES

At least there is one product your money will buy that performs better and costs less than before the war. It's the new B.F. Goodrich Silvertown that outwears prewar tires for less than prewar prices. New technical developments and public demand have combined to give car owners this new tire (1) with improved quality, (2) at reduced prices. The tremendous demand for the new Silvertown has far exceeded any tire B.F. Goodrich ever produced. Proof of the public's confidence has been the millions more miles that have been driven on this new tire than any other tire introduced since the war. Don't be satisfied with less than the best. At these low prices, you can equip your car all around with B.F. Goodrich Silvertowns that outwear prewar tires.

BUY
A REAL investment for yourself. An exceptionally nice 4-unit apartment house, just two blocks north of the campus in Berkeley's choice neighborhood. Each unit has a living room with wall-bed and fireplace, a dining-room, a fine bedroom and a kitchen. The terms are exceptional too: \$8,000.00 down, \$100.00 a month. The total price is \$24,500.00.

A HOME
AND INCOME is offered in this 3-year old stucco duplex. 5-room side owner-occupied, the 4-room side rents for \$50.00. This well-built property is located on a corner lot, among new homes. Non-veterans may take over existing G.I. loan, but it may also be refinanced to suit a G.I. buyer. Evenings call Ashberry 3664.

OF
PARTICULAR interest to the larger family will be this 6-room stucco home on Ventura near Solano. It has central heat, tile-bath and tile-kitchen, a nice garden, in fact just about everything you want in a fine home. Owner is leaving Albany and is asking a fair price for quick sale.

YOUR OWN
POCKETBOOK will have to decide how much you can invest in a home of your own. But we doubt whether you may find a nicer home for \$9,000.00 in Albany than this 5-year old stucco. It will be worth your while to look at this one.

FOR
THOSE who prefer a 4-room house this 4-year old rustic in Albany should be just right. It is on a lot 50x100, it has 2 bedrooms, and it is reasonably priced. In fact, it may go G.I.

YOUR FUTURE HAPPINESS
IN AN ARCHITECT-Designed Berkeley Hills home will be assured if you purchase this 6-year old 2-bedroom stucco. From the living-room as well as the master bedroom you view the bay area from the Peninsula to Marin, and you relax in a lovely garden, which includes a patio and barbecue pit. Near transportation. Full price \$15,000.00.
